Frequently Asked Questions:

1. Can I move in outside of my designated move in window?
   a. We highly recommend that you stick to your designated window in order to maximize the efficiency of your family’s move in.

2. Will we be assigned a specific move in time or can we come any time during Arrival Survival?
   a. Because of the number of students that move in during Arrival Survival, you will be assigned a specific move in time in the mail as part of your Arrival Survival packet.

3. Can upperclassmen move in over the weekend of August 29th and 30th?
   a. Yes you can. However, you should be aware that we only schedule volunteer helpers through Friday August 28th, but you may move in over the weekend if you wish.

4. When should I expect my Arrival Survival packet to come in the mail?
   a. They were sent out from the University of Pittsburgh on July 23rd.

5. What should I do with the parking pass I received in my Arrival Survival packet?
   a. Display the parking pass prominently on your vehicle’s dashboard as you approach campus on move-in day. The parking pass identifies your move-in date and time, is your ticket to access unloading zones and to long term parking.

6. If I am a part of the last PittStart, when do I move in?
   a. You will receive separate move-in instructions from the ones you received from Arrival Survival from the Office of Admissions via your University of Pittsburgh email. Students attending the last PittStart will move in on Monday, August 24th between 8am and 11am. Even though it contains a different move-in time, please display your Arrival Survival parking pass prominently on your vehicle’s dashboard as you approach campus.
7. I’m a member of a University sponsored program (Pitt Band, Preseason Athlete, Panther Connect Retreat, etc.) which requires me to move in before Arrival Survival, but I received a different move-in date in my Arrival Survival packet. Do I still need to follow the instructions in the arrival packet?
   a. No, please follow the move-in dates and instructs provided to you by your program managers.

8. How do I obtain more information about my housing assignment, dining services, move-in, etc.?
   a. Information can be accessed through your my.pitt.edu account and by monitoring your pitt.edu mails.
